Decision and Reasons

This investigation has revealed the officers were in the lawful performance of their duties and acted in accordance with all governing authorities. The issues with the Complainant's neighbour were thoroughly investigated by the attending officers and followed up by RO4, however the incidents did not meet the threshold of a criminal charge. The Complainant's neighbour was cautioned by the Respondent Officers based on the Complainant's description of the interactions with the neighbour and his video and photographic evidence. No criminal, harassing, homophobic, or threatening behaviour was witnessed by any of the Respondent Officers.
