De-identified Summary of Complaint

The Complainant alleged a Respondent Officer acted improperly while responding to a dispute involving the ownership and possession of a domestic animal. The Complainant asserted the officer compelled the surrender of the animal and conducted himself in a manner that caused emotional distress.

Unsubstantiated Code of Conduct Allegations

Section 10 – Conduct Likely to Undermine Public Trust
Section 19 – Neglect of Duty

Decision and Reasons

Section 19 – Neglect of Duty- Unsubstantiated

The evidence established the Respondent Officer attended a call for service, spoke with the involved parties, and assessed the matter as a property dispute. The Respondent Officer provided information regarding property rights and exercised discretion consistent with peacekeeping and dispute resolution responsibilities. There was no evidence the officer failed to perform the duties of office or otherwise neglected responsibilities.

Section 10 – Conduct Likely to Undermine Public Trust- Unsubstantiated

The evidence did not support allegations the Respondent Officer acted in a coercive, threatening, or unprofessional manner. Independent records did not corroborate the assertion that the officer compelled the surrender of property. The officer's conduct was lawful and measured, and dissatisfaction with the outcome of the interaction did not meet the threshold for conduct likely to undermine public trust.
