De-identified Summary of Complaint

The complainant alleged that responding officers declined to proceed with a report of a physical assault.

Unsubstantiated Code of Conduct Allegations

10 conduct undermines public trust

Decision and Reasons

The investigation reviewed police response to a partner-related dispute reported on March 22, 2025, in which the complainant requested assistance due to his girlfriend's intoxication and aggressive behaviour; no injuries were reported, and the complainant declined medical assistance and charges.

Officers located the girlfriend, assessed allegations she made, which were inconsistent and could not be corroborated. Records confirmed officers documented the incident, acted within their lawful duties, and based decisions on the absence of injury and the complainant's expressed wishes; the allegation was unsubstantiated.
