De-identified Summary of Complaint
The Complainant alleged the Respondent Officers failed to properly investigate a matter and as a result, the Complainant was wrongfully charged. The matter was withdrawn in Court.

Unsubstantiated Code of Conduct Allegations

Allegation 1: Neglect of Duty

CSPA O. Reg. 407/23 Code of Conduct

Decision and Reasons

Although the Complainant believes the criminal charge was withdrawn due to a negligent police investigation, it has been determined that the Respondent Officers conducted a fulsome investigation and had the required reasonable and probable grounds to arrest and charge the Complainant. An analysis of all the evidence gathered in this investigation did not provide reasonable grounds to believe the Respondent Officers are guilty of misconduct.
