Unsubstantiated Code of Conduct Allegations

Conduct Undermines Public Trust	Section 10(1)
Unnecessary or Excessive Use of Force	Section 11(1)

Decision and Reasons

The Investigator found the Respondent Officer was in the lawful performance of his duties while working at a protest. Video evidence shows the Respondent Officer remained calm while dealing with a challenging situation. The Respondent Officer dealt with the protestor forcefully to prevent officers from being assaulted, overpowered, and having a prisoner taken from their custody. Video evidence shows the Respondent Officer used a skateboard against the protestor as he was unable to access his use of force options when violently attacked. The Respondent Officer lawfully used force. Video evidence shows force used was necessary and reasonable. No more force was used than was necessary.
