## Decision and Reasons

Allegation #1 - Performance of Duties - Section 19: Neglect of Duty

The Complainant has alleged that she attempted to report criminal concerns regarding her mother's death and that officers neglected their duties by failing to report or investigate the matter. the investigation has determined that the matter being reported by the Complainant had evidentairy and jurisdictional issues. The death occurred internationally and had been investigated by a competent authority that determined it to be from natural causes. Further, the evidence presented by the Complainant made out the basis for a civil claim and not one police would have been involved in. Ultimately, officers correctly directed the Complainant to pursue the matter through civil means.
