The complainant has footage of RO that the complainant can show LECA.

Unsubstantiated Code of Conduct Allegations

Unnecessary Force

Section 11 (1) A police officer shall not use force unless,
(a) the force is used for the purpose of carrying out a duty;
(b) the officer is entitled, by statute or common law, to use force for the purpose of carrying out that duty;
(c) the officer is acting on reasonable grounds; and
(d) the force used is no more than is necessary given the circumstances.

Decision and Reasons

This investigation has revealed the officer was in the lawful performance of his duties and acted in accordance with all governing authorities.

RO1 and WO1 responded to a 911 call regarding an assault, were met by the Complainant who was hostile and physically blocking the entrance to the residence where the 911 caller was located. RO1 was justified in using force on the Complainant and justified in the amount of force applied to the Complainant.
