

Local Response Summary Form

I acknowledge I have been informed of the Law Enforcement Complaints Agency (LECA), a civilian police oversight agency. I understand I have the right to complain directly to the LECA about police conduct. I have agreed to engage with the police service through a Local Response.

The chief of police is required to send a copy of the Local Response Summary Form and may send a notification of the potential misconduct to the Complaints Director pursuant to s. 197 of the CSPA. Notwithstanding the local response, the Complaints Director may decide to conduct an investigation into an alleged misconduct.

Please send the completed form to lecacomplaints@ontario.ca or via DX.
