RE: November 2022 Correspondence Regarding Dynamic Entries

Dear Director:

The Kawartha Lakes Police Service does not currently have officers trained and qualified for the execution of a search warrant via dynamic entry. In circumstances where a dynamic entry is required, we obtain the assistance of the Ontario Provincial Police or our neighboring police partners. In those situations, we will defer to the assisting agency and their respective policies/procedures as they relate to dynamic entries.

Should the Kawartha Lakes Police Service resume using dynamic entries internally, we will ensure policies are in place to reflect the concerns addressed in your November 18, 2022 correspondence.

Sincerely
